## General Rules for Semi Sparta and Sparta Programs

To ensure a focused and disciplined learning environment, the following rules are strictly implemented for all students under the Semi Sparta and Sparta programs:

1. Mandatory Local SIM Card
2. All students are required to have a local SIM card with mobile data. This ensures direct and constant communication with the school, including Managers, Interns, and Reception.
3. Pass Card System
4. In addition to your Student ID, a Pass Card is provided, which must be presented to the guard when leaving the premises. The guard will keep your Pass Card and return it when you come back.
5. Curfew Violations:
6. If you violate the curfew, the guard will punch a hole in your Pass Card and inform the reception. The following consequences apply:
  - 1 hole: Verbal warning.
  - 2-4 holes: Written warnings will be issued.
  - 5 holes: Immediate dismissal from the program.

These rules are designed to help you stay focused on your studies and maintain a disciplined approach to your English language learning journey. We believe that following these guidelines will enhance both your experience and your progress at the academy.
